Mail Stop Patent Application

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants submitted a Letter to the Commissioner, along with a Preliminary Amendment, Information Disclosure Statement and Statement in Support of Submission (along with the Sequence Listing), on March 16, 2004, in regard to submission of a Continuation Application for Parent Application Serial No. 09/555,367 (Conf. No. 8311) (see the date-stamped mailroom receipt submitted herewith).

Applicants note that upon detailed review of the submitted documents, the Parent Application serial number was inadvertently listed incorrectly, i.e., as U.S. Appln. No. 09/555,637 and/or U.S. Appln. No. 09/555,364. Additionally, Applicants would like to point out that the correct Patent Application serial number is U.S. Appln. No. 09/555,367.

Further, Applicants submit that the statutory filing fee was submitted for payment of the Continuation Application of U.S. Appln. No. 09/555,367 (see the check copy attached hereto).
